OCA 86-0313
4 February 1986

The Honorable Jack Brooks
Chairman
Committee on Government Operations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

This letter is an interim response to your request of 27 January 1986 for the views of the Central Intelligence Agency on H.R. 4025, a bill that would exempt federal retirement cost-of-living allowances from the Gramm-Rudman sequestration procedure. Mr. Casey has asked me to respond on his behalf.

We are preparing a response that contains our views regarding this bill, which we will promptly send to you following appropriate Administration coordination and clearance.

Sincerely,

David D. Gries
Director, Office of Congressional Affairs
